Enforcement confidential and deliberative. Do not release for FOIA or discovery.

Hi Roger and Kevin,

Do you have any time today to discuss the sampling plan for the RARE grant? Andy is proposing testing some municipal water systems in Ohio. The start on row 27 of the attached document. Amesville is on row 28 and we tested that system for PFOA. I wanted to know your thoughts on this. I will send a calendar invitation for today because Andy wants comments by Monday.

Thank you,
Jenny
